

Simple, secure storage.

Express Locker™ Secure Point-of-Use Storage

This fast and efficient locker solution is an auxiliary unit to the Express Toolbox that manages consumable and durable inventory, while increasing productivity.

Features & Benefits

- Clear locker doors with LED lights for enhanced visibility
- 18 door locker solution that includes two different door sizes to manage small and large items
- Cutouts in locker for power cord access
- Store large consumable items
- Secure durable items

Available Accessories

Accessible 20 outlet power strip that allows the Express Locker to be used as a charging station

Suggested Inventory Items

The Express Locker is designed to store:

- Power tools such as saws, drills and grinders
- Hand tools such as hammers, pliers and toolkits
- Large quantities of consumable items such as boxes of gloves, earplugs or dust masks
